g. Course Curriculum Proposal Forms – Please provide Warren your proposals by October 1, 2010. We need to adhere to the timeline provided. Be sure to double check everything for inconsistencies, typos, or omissions. If we have mistakes, it delays our progress in the process. We are to have these changes up and running by August, 2011. Be sure that the title is the same as the course name. FYI….it took 6 weeks after approval to get the undergraduate courses online.
