How to Cancel A TaskStream Evaluation

1. Log into TaskStream – http://taskstream.uncc.edu

2. Go to “Evaluator” Tab and locate your program.

3. Search for your student(s).

4. For a given student, locate the assignment to modify and then click “View/Edit”:

5. Click the “Cancel Evaluation” button:
6. Follow any prompts to complete the cancellation.

7. The student will now be able to modify and re-submit the work.
